

BIKE BUDDY PROGRAM

Be a Buddy—join the PedalFest Bike Buddy program!

Heartspring invites you to be part of our FIRST PedalFest Bike Buddy program! The program encourages community members to support children with special needs by purchasing a Bike Buddy for \$1 at participating businesses and schools. Bike Buddies are proudly displayed on windows, walls, or wherever to show the community you are an advocate for children receiving therapies from Heartspring Pediatric Services!

Tell me more!

The Bike Buddy program is part of the overall fundraising efforts for **PedalFest, Heartspring's annual fundraising biking event**, on Saturday, August 24. The PedalFest bike ride ensures local children with special needs are given the opportunity to receive the therapies and services they need to lead a more independent life. Bike Buddies are a great way to start a conversation about who is benefitting and why it's important to be an advocate!

How do we join the fun?

It's simple. Any supporter of your organization can purchase a Bike Buddy for \$1. You'll then display them in windows, on doors, or wherever! Not only will you be supporting PedalFest, but the community will know that you support the children receiving therapies and services with Heartspring. Plus, there's no financial responsibility on your part! Your team will collect the donations raised and the donations will be returned to Heartspring **no later than Wednesday, September 4**.

Pro Tip!

To further motivate your school or business, participants can wear jeans, a hat, or something not normally worn for donating \$1 to the Bike Buddy program!
