

# Bike Buddy Program

## Be a Buddy—join the PedalFest Bike Buddy program!

The program encourages community members to support children with special needs by purchasing a Bike Buddy for \$1 at participating businesses and organizations. Bike Buddies are proudly displayed on windows, walls, and other public places to show the community you support children receiving therapies from Heartspring Pediatric Services!

### Tell me more.

The Bike Buddy program is part of the overall fundraising efforts for **PedalFest, Heartspring's annual fundraising biking event**, on Saturday, August 22. The proceeds from PedalFest help optimize Heartspring pediatric therapy programs to ensure local children with special needs can lead happy, independent lives. Bike Buddies are a great way to start a conversation about why your support matters!

### How do we join the fun?

It's simple. Anyone can purchase a Bike Buddy for \$1. You'll then display them in windows, on doors, or any surface of your choice—the more Bike Buddies displayed, the greater the awareness! Not only will you be supporting PedalFest, but the community will know that you support the children receiving therapies and services with Heartspring. Your team will collect the donations, and the funds will be returned to Heartspring **by Wednesday, September 2.**

### Pro Tip!

To further motivate your business or organization, incentivize participants by hosting a jeans day in exchange for donations to the Bike Buddy program!
